Hi Sam - As requested, below is a Gantt Chart of upcoming ERC review dates (full reviews and check-ins). See the attached Excel document for specific dates on when assessments are anticipated to be released. The dashboard includes when the documents are going to the IOAA as well.

I was talking to Vicki earlier and I think we all want to sit down and discuss specific timeframes on how long things take. The dates below are based on what you told me.

Let me know if you have any questions/comments.

Thanks!

Dahnish
